ASHTRAYS

Floor-standing ashtray for outside areas TKD-11

Description: Outdoor floor-standing ashtray combined with litter bin and cover, self-supporting construction. 6 mm thick base plate, tubular framework. Ashtray and waste combination body with curved fronts and flat sides.

Safety: Snap locks protect the ashtray/waste combination against unauthorized access. Perforated top secured by a non-projecting 7 mm square lock (a key is supplied with each ashtray).

Handling: Can be operated from both sides and allows convenient dropping of the waste. Quick and easy removal of the ash-collecting-tray and waste bag through front door with magnetic snaps. Remove the perforated sheet after operating the lock (1/4 turn) to open the front door. The contents are now visible, the ash-collecting-tray and waste bag can be emptied/replaced as required.
