ASHTRAYS

Floor-standing ashtray for outside areas TDA-11

Description: Outdoor floor-standing ashtray combined with information area and cover, self-supporting construction with additional round strut (safety feature for visually impaired and blind persons).

Safety: Perforated top secured by a non-projecting 8 mm square lock (a key is supplied with each ashtray).

Handling: Quick and easy removal of the perforated sheet and ash-collecting-tray from above after operating the lock (1/4 turn).

Handling of the information area: The interchangeable frame allows easy mounting of posters or signs. Loosen the hexagon socket screws (key is enclosed) and remove the upper part of the frame to change the posters / signs.
