ASHTRAYS

with cover and litter bin
TKD-11-DB-2020

Description: Outdoor floor-standing ashtray combined with litter bin and cover, self-supporting construction. 6 mm thick base plate (including 4 boreholes for floor mounting), tubular framework. Ashtray and waste combination body with flat fronts and sides. Ashtray with slitted grid and funnel shaped, oblong insert. The disposal of cigarette packs is not possible.

Safety: Snap locks protect the ashtray against unauthorized access. Funnel top secured by a non-projecting 8 mm square lock (a key is supplied with each ashtray).

Handling: Can be operated from both sides and allows convenient dropping of the waste. Quick and easy removal of the ashtray and waste bag through front door with magnetic snaps. Remove the ash-collecting-tray from above after operating the lock (1/4 turn) to open the front door. The contents are now visible, the ashtray and waste bag can be emptied/ replaced as required.
